

Patient Qualifications

To Qualify for medical care at Guadalupe Clinic, you must meet all of the following criteria.

- ✓ Be without health insurance of any kind (including Medicaid or other medical assistance through SRS)
- ✓ Have an income within 200% Federal Poverty Level (will be verified with proof of income)
- ✓ Must not be under the care of any other physician
- ✓ No Workman's Comp or other insurance claims

If you meet the above criteria:

1. Call Guadalupe Clinic (316-264-8974) for further information. Medical staff will then review patient's eligibility and schedule appointment.

Once patient is accepted:

2. Patient's first visit at Guadalupe Clinic: Patient ***MUST*** bring proof of income (all household income) and will be asked for a \$5.00 donation to see a doctor at time of appointment.

POSSIBLE TYPES OF PROOF OF INCOME

- 30 Days of paycheck stubs
- Letter from Unemployment office verifying amount and duration
- Letter from Social Security verifying you receive monthly disability income
- Letter from whomever is supporting you stating they are currently your sole support
